

Shade Tree A's News

HOME AGAIN

My daughter Anna and I just returned from a two-week trip to Switzerland and Germany, just in time to get the newsletter out. We were visiting the STA newsletter's tech support department (Brian) in Lausanne, Switzerland.

This was my first trip to Europe and I was fortunate to have Brian as our French translator and Anna for the German.

Among our many adventures was a visit Technology Museum Speyer near Heidelberg, Germany. There were aircraft, trains, ships, a submarine, fire trucks, cars, and a merry-go-round. The car collection even included a Model A Ford! We were able to go inside many of the larger vehicles.

On August 19 it reached about 100 degrees (F) in Aachen, Germany where we were visiting; there was no air conditioning anywhere! A week later, we were standing on a glacier on the Matterhorn; it was windy and 22 degrees (F).

Brian enjoyed driving his rented car on the autobahn where there was often no speed limit. It was definitely not the place to drive a Model A!

Now that I'm back, it's time to finish up the preparations for International Model A Day on September 22. Mark your calendar and plan to join us in Aiken. There are details in this newsletter.

So if you find even more typos than usual, please forgive me, it's been a busy month. As always, I appreciate those who contribute to the newsletter. Without their contributions, it would be pretty skimpy.

Since my trip was a visit to our out-sourced IT Department, I know the club won't mind that I charged the airfare to the club!

From your foreign correspondent...

It was a little chilly to be wearing capris. At least I had a light jacket and scarf!

ABOUT THE SHADE TREE A'S

<http://www.shadetreeas.org>

The Shade Tree A's is a non-profit organization dedicated to the preservation and the restoration of the Model A Ford automobile. Shade Tree A's annual dues (\$65) include membership in the Model A Ford Club of America (MAFCA, \$40) and a subscription to *The Restorer Magazine*. Members are also urged to join the Model "A" Restorers Club (MARC, \$38) which includes a subscription to *Model "A" News*. The club also is a member of MAFFI, the Model "A" Ford Foundation, Inc.

Meetings are generally held on the 2nd Monday of each month at Richard Dunevent's garage, 4338 Owens Road, Evans, GA. Meetings begin at 7p.m. and are followed by refreshments.

OFF THE RUNNING BOARD

Craig McMullin, President

As a reminder, the Western Carolina Model A Club has invited the Shade Tree A's, among other Model A car clubs, to join them in celebration of their 50th anniversary at Hickory Knob State Park on September 7th-9th. Details of the event appeared in our July and August newsletters with contact information. They do plan to have tours all three days with Saturday being the longest tour and a dinner Saturday night. As stated, we are welcome all three days or just to come up and hang-out as your schedule permits. If you do decide to attend, I'm sure they would appreciate a call for planning purposes.

As fall is just around the corner bringing with it cooler temperatures, it is a great time of year to tour in your Model A. We have many club activities planned over the next few weeks, such as; The Morningside of Evans Assisted Living display, International Model A Day in Aiken, the Palmetto A Swap Meet at Smith and Jones, and the STA Steak Cookout at the Gordon's. All these events are discussed in the newsletter so get your calendar out to save the dates. It's a great time of year to enjoy your Model A.

Two other annual activities also require much consideration this time of year. They are the nominations for the Monroe Wade Award and the 2013 election of Club Officers. The Monroe Wade Award nomination form and criteria will be out shortly. Also, some of the club officer positions such as President, Vice President, and National Director are open and need to be filled. Of course, all the positions on the ballot could have multiple candidates for the membership to consider. That's why we call it an election. The Board is all in agreement that some new faces in key roles would be most beneficial to the club going forward. If you haven't run for office or it's been awhile since your last term, we would love to hear from you.

Have a safe trip,
Craig

2012 MAFCA NATIONAL AWARDS BANQUET

Coming to a city near you.

This year's banquet is sponsored by the Palmetto A's and will be held in Charleston SC on Dec 9-12. See the brochure near the end of this newsletter. The brochure, prices and registration form is in the July/August issue of The Restorer pages 36-38.

MAFFI MUSEUM UPDATE

Jerry Morrissey, MAFFI Trustee

The Summer is flying by and so is the progress on the Museum. It is hard to believe that we are already in mid August. The dedication of the building is approaching fast. I hope to see most of you there. All of your hard work in planning and raising money and promoting the hobby is becoming a reality.

Cornerstone Construction is working hard to stay on schedule with the building. Most of the glass is now installed for the front of the building. They are starting to power wash the brick. The tile work on the floor is moving along nicely, but it is a big job! They had 2 weeks in the schedule to lay the tile. Gilmore personnel will seal the tile floor after the tile contractor finishes their work. This will also take two weeks so we are on schedule, but it will be tight for the drive through photos on Sept. 15th. The back wall is complete except for the cap on the roof and touch up painting. The electrician's have put in the maintenance fluorescent lighting, and the theater lights and were finishing outlets yesterday. The first order of bricks for the walkway have arrived!

I know many of you are watching the progress on the Webcam and over the next month there is going to be a lot of activity right up front. They are finishing off the canopy. Then the drainage trench will be dug across the front of the building and curb basins will be installed. The road will be widened and a sidewalk will be installed across the front of the building. Lastly, paving for our drive will take place and the brick walk will be installed. It is going to be a busy month. Have fun watching and continue to support the effort any way you can!

CANDLELIGHT CHRISTMAS EVENING AT THE BILTMORE ESTATE

Join Us for a Candlelight Christmas Evening at the Biltmore Estate.

A group of Shade Tree A's members is going to Asheville, North Carolina to visit the Biltmore Estate. We plan to leave on Friday, November 2nd for a leisurely drive up Highway 25, stopping at local attractions as they present themselves. If time permits we will stop at a large antique mall south of Asheville. On Saturday morning we will visit one or two antique malls in Asheville before making our way to the Biltmore Estate. Once on the Biltmore Estate we will visit the Gardens, the Conservatory, and Antler Hill Village which includes the Winery, the exhibit "The Biltmore Legacy", the 1900's farm, and the Outdoor Adventure Center. We may eat at one of the Estate restaurants. Deerpark Restaurant features Southern family-style dishes and Appalachian specialties on their buffet. In the evening we will take a guided tour of the Biltmore house, decorated for Christmas as no other house can be decorated, filled with the warm glow of firelight and candlelight. For more information on all the Biltmore Estate has to offer, visit www.biltmore.com. We will return home on Sunday. Jim and Sam Mason, Curtis and Linda Krosting, Don and Rosalind Neal, Alan and Sharon Stewart, and Jim and Sheila McPherson have made a commitment to participate in this activity. If you would like to join us, please contact Jim McPherson.

MORNINGSIDE ASSISTED LIVING

We have been invited to bring our cars to Morningside of Evans Assisted Living on Saturday, September 15 tentatively scheduled for 9:30am. The folks who live there are really looking forward to our visit so please come if you are able. The location is 353 North Belair Road in Evans— just around the corner from Richard's Garage.

If you would like to meet for breakfast, meet at the Sunrise Grill on Washington Road at 8am.

An e-mail will be sent out when the time is definite.

NEWS FROM UNDER THE SHADE TREE

- ◆ Dottie and Eric Shogren recently celebrated their 30th wedding anniversary
- ◆ Update on Abbie: It's been three weeks since his shoulder surgery. He will spend at least three more weeks in the brace and then see if the surgery was successful.
- ◆ Pascal continues to make progress with his therapy.
- ◆ Jim Dover was hospitalized at the end of August.

MAFCA MEMBERSHIP DUES

By now you should have received via US mail your MAFCA membership renewal form and ballot for the MAFCA officers. Make your check for \$65 payable to the Shade Tree A's and turn it in to Tom Roberts (\$40 goes to MAFCA and \$25 to the Shade Tree A's). Tom will update his records and then all of the dues will be sent together to MAFCA.

Don't dawdle, do it now while it's fresh in your mind...

MEMBERSHIP MEETING MINUTES

August 13th, 2012

President Craig McMullin called the meeting to order at 7:03 pm. Two members were fined for no name badges. There were 43 members present.

Dates were given for August birthdays and we had a cake to celebrate the birthdays of Pascal and Sheila.

A motion to approve the minutes as written was made by Ernest Dinkins and seconded by Don Turley.

Pascal Bryant was at the meeting, Abbie Prince is in bad shape with his torn shoulder and Curtis's wife is doing better.

Richard Dunevent gave the Treasurer's report.

No news from national director, still out of town.

Rachel will be out of town, so get any articles in very fast.

Old business and past events can be found in the newsletter. New business and future events will be in the newsletter, please read and PARTICIPATE.

There was a book on 1950 car wiring diagrams, if you need any check it out.

The program was on Model A tools and how they are judged, given by Don Turley.

Refreshments were provided by Bob Collier, Don Turley, Walter Smith and David Southerland. Thanks for the help from Sheila and the women.

The next meeting will be at Dunevent's garage on September 10th @ 7:00 pm. SEE NEWSLETTER

The meeting was adjourned with everyone having a good time.

*Respectfully submitted
Doug Wilson, Secretary*

INTERNATIONAL MODEL A DAY

September 22

Come to Aiken on September 22 to celebrate International Model A Day. Starting at 9 am there will be a guided tour of the reconstructed 1899 train depot which houses Aiken's Visitors Center and Train Museum. It's located at the intersection of Park Avenue and Union Street. We'll leave from there and take a leisurely drive up and down downtown Aiken's main drag, Laurens Street. We'll park on Newberry Street for a group photo. We will leave the cars on Newberry Street and head to Laurens Street for a scavenger hunt/poker run in the downtown shops.

Plan to bring a covered dish to share for lunch; the club will provide fried chicken. We have reserved the air conditioned fellowship hall at First Presbyterian on the corner of Laurens Street and Barnwell Avenue. After lunch is cleaned up and packed back in your cars, we may have a short surprise side trip planned or you may want to continue to explore the downtown.

We hope you'll bring a Model A but if yours isn't up to it, come anyway; the more the merrier.

THE CLUB ROSTER

The Roster on the web page is kept current. Please check it to make sure your information is up to date; let Tom Roberts know if changes are needed. If you need the password to access the roster, contact one of your club officers. A paper copy of the roster will be distributed later in the year.

OUR NEWSLETTER SPONSORS

Please take a look at our updated pages of Shade Tree A's newsletter sponsors. Your business card could be there, too; contact Craig to arrange it.

VINTAGE VISIONS

Anne Neely-Beck

A lot of us, when we think of “our” era fashions, usually think about dresses, but blouses and sweaters were available too. *McCall's* September 1929 showed some beautiful blouse patterns some which would still look great today. The title of the article read; “The Separate Blouse Acquires New Style Importance as Part of a Two-Piece Frock or a Three-Piece Costume.”

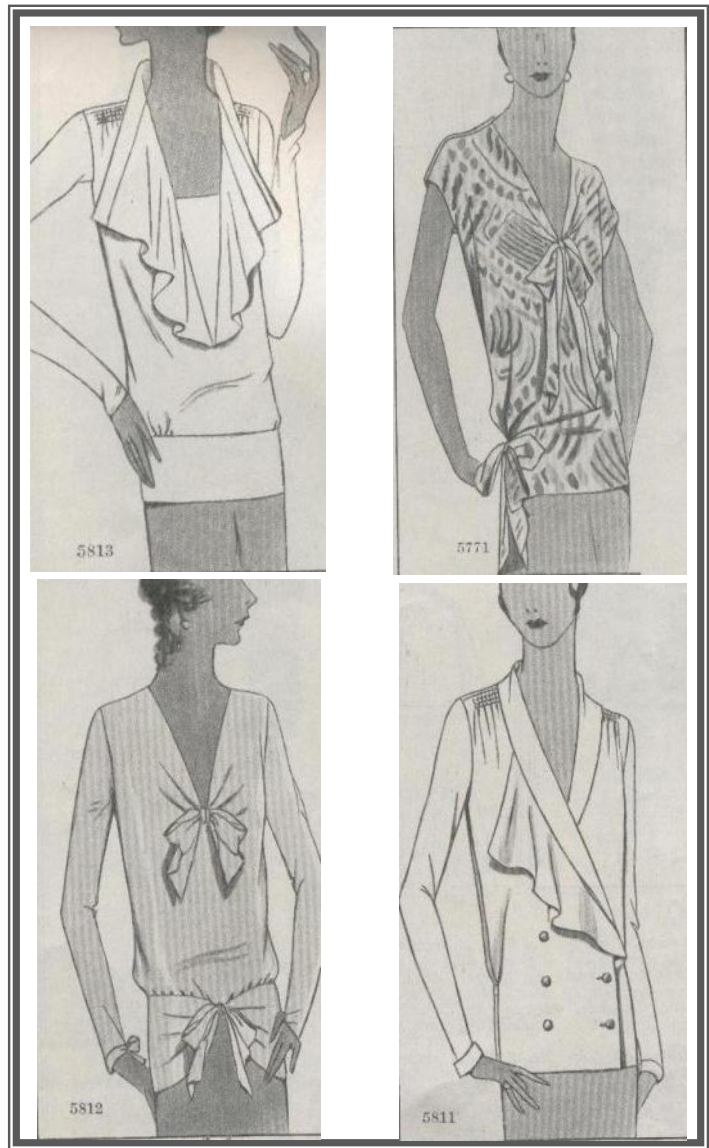

Pattern #5813 has a deep V neckline and is finished with a vest and a jabot* collar.

Pattern #5771 has a knotted bow at the neckline and at the waist.

Pattern#5812 has a deep belt curved up front, is slightly draped, and finished with a bow. A bow adorns the neckline also.

Pattern#5811 (my favorite) has a jacket effect with a double breasted front closing and roll collar with a one-sided jabot.

*Jabot (zha-boe’): A pleated frill of lace or cloth attached down the front of a woman’s blouse or dress.

INVITATION: HICKORY KNOB TOUR

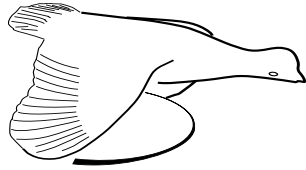

Western Carolinas Model A Ford Club

Please join the Western Carolinas Model A Ford Club as we celebrate our 50th Anniversary with a Model A Tour and Banquet to be held Friday, Saturday, and Sunday, September 7, 8, and 9, 2012 at Hickory Knob State Resort Park, near McCormick, SC. Optional mini-tours will be available Friday afternoon and Sunday morning. Saturday will be an all day scenic tour visiting several Southern museums. Saturday evening will be

our 50th Anniversary Banquet with a special program reviewing our past 50 years.

Come and join WCMAFC for all three days, the Saturday tour, or only the Banquet. For a registration form for the Tour(s) and Banquet email John Latham WCMAFC Tour Committee at JALatham9138@Charter.net or phone 828-687-9138.

TECH SESSION #32

Tom Roberts

Seven hearty souls showed for breakfast at the Sunrise Grill, but when we arrived at Richard's garage about 9 o'clock there were more members there. We had a total of 16 by noon.

The task of the day was getting Jim Dover's 1923 Model T Touring Car running; Tom Roberts and Jim McPherson started to work on that. Larry Lamb and his son Trey were fascinated and, with Jim Dover's permission, Trey (18) got to drive. Such excitement.

Elsewhere in the garage, new tires were being installed on an "A", George was working on his windshield wipers, and adjustments were being made here and there to our favorite cars

Sheila prepared a sumptuous sandwich bar for lunch-complete with peach cake and ice cream. All enjoyed it. Thank you, Sheila!

Additional photos are on the website.

AUGUST MEETING HIGHLIGHTS

The August meeting program was a presentation on Model A tools and judging standards presented by Don Turley. He had an attractive display board showing the variations of tools and explained the differences among the different years and different manufacturers of the tools that came with the Model A. Don is a Master Judge in MAFCA (*Model A Ford Club of America*) Blue Ribbon Fine Point Judging and a Senior Judge in MARC (*Model A Restorers Club*).

Thanks, Don, for an excellent program.

Barbara Bryant brought a birthday cake in celebration of Pascal's and Sheila's birthdays.

People call this soup "a meal"

EVERY day all over the United States, women are selecting this soup for a very special purpose. It is not only delicious and tempting to the taste. It also contains such a generous, substantial quantity of valuable nourishment that women actually describe it as "the soup that's a meal." So Campbell's Vegetable Soup has a reputation and a tremendous popularity all its own. It is surely America's first choice as a hearty soup.

EVERY spoonful of it is liquid and solid food in a delightful combination. There are the blended benefits and flavors of fifteen different vegetables, with all they bring in nutriment, healthfulness and pleasure to the taste. There is the strengthening

invigoration of beef broth—the "life" and sparkle of really good vegetable soup. Body-building cereals are here in plenty. Fresh herbs give their savor and their appetizing touch. Seasoning is of that deft and skillful quality for which Campbell's French chefs are famous. Selected for luncheon or for supper, here is a dish that often requires very little else both to invigorate and satisfy you. At

dinnertime, it does yeoman service since it provides food and stimulation to the appetite. And it's so convenient, requiring but the addition of an equal quantity of water, bringing to a boil and simmering for a few minutes.

Different days, meals and tastes all call for different soups.

Learn to suit the soup exactly to the occasion. The next time you serve Campbell's Soup, read the list of the twenty-one different kinds of soups printed on the label. 12 cents a can.

MAKING yourself familiar with this list is a "liberal education" in soups. You then know how to vary your daily menus and select just the soup that proves most attractive for each meal.

WITH THE MEAL OR AS A MEAL SOUP BELONGS IN THE DAILY DIET

STILL AROUND AFTER ALL THOSE YEARS...

It's amazing how many products or companies from the Model A era are still going strong!

2012 MAFCA National Awards Banquet

Dec 9 - 12, 2012 Charleston, South Carolina
Hosted by the Palmetto A's

As you arrive in the old city of Charleston, you will see what makes Charleston different from most other American cities - she is a living history museum! After the Civil War, Charlestonians had no money to repair their broken and ravaged city. They had no choice but to keep everything the same as it had been since it's founding! As you stroll the cobblestone streets and alleyways, you will come across homes and public buildings preserved exactly as they were when built 300 years ago. This is quite amazing when you consider that Charleston has withstood hurricanes, tornados, fire, earthquakes, and a civil war! We hope you will enjoy your present day adventure into the past!

Francis Marion Hotel

Times will present a Technical Seminar on Touring in the Model A; in other words, exactly how to prepare for long trips in your Model A. Max Herman, Jr. from H & H Antique Ford, also, will be presenting a seminar on rebuilding the Model A Engine. A fabulous opportunity to listen to Ruth Miller, Charleston historian and licensed tour guide, tell the story of Charleston, from the Colonial days to present. Charleston has been preserved by the first preservation ordinance (1931) in our country.

Monday afternoon, we have arranged Charleston City tours either by horse drawn open carriage or enclosed mini bus. Your tour will depart from the front of the hotel. Either method is a fabulous way to see the old city. The Charleston City licensed and certified guides are

all extremely knowledgeable of the buildings and history of Charleston. We are sure you will come away from your tour with a bit of history and a taste of our special sense of humor! Monday evening, a special and unique dinner cruise awaits you! We will be cruising Charleston Harbor and up the Ashley River. The sights of Fort Sumter, White Point Gardens, The Battery,

The Spirit of the Low Country

and the Ravenel Bridge are spectacular at twilight! If you watch the waters closely, you may even see the nearly extinct Right Whales as they migrate off our coastline.

We would like to welcome you to the 2012 MAFCA National Awards Banquet with a reception held in your honor. You will need your invitation to find the secret code to give the bouncer at the door for admittance to "A's Speak Easy." We will have an open beer and wine bar hosted by The Francis Marion and delicious

Charleston Blind Tiger, 1930

appetizers featuring the tastes of Charleston and South Carolina. We encourage you to put on your Era evening fashions for a "Charleston Blind Tiger" experience!

Middleton Place Plantation & Gardens

Tuesday morning, we are off to Middleton Place Plantation and Gardens. Middleton Place is a National Historic Landmark and home to America's Oldest Landscaped Gardens. Your tour includes a light lunch. Tuesday evening, the main event we've all been waiting for,

In the Hospitality Suite/Raffle Room you will find fresh coffee, freshly baked cookies, bottled water, crackers and fresh fruit. We have lots of raffle items for you to win! While up there, enjoy the spectacular views from this Penthouse Suite!

Monday morning starts off with an informal Breakfast with the MAFCA Board. There, you will have the ability to get to know your MAFCA Board Members. It is a great opportunity to find out what each of their positions does for the greater membership of MAFCA. The MAFCA Board of Directors will have an open meeting following breakfast for all between 10 am and 3 pm. A closed session will ensue between 3 & 5 pm.

MAFCA Era Fashion past Chairperson, Anne Neely-Beck will present an Era Fashion Seminar on construction methods, fabrics, and stitches to make Era appropriate garments. This should be a fun and informative session! John LaVoy, Editor of Model A

Charleston's Old City Market

MAFCA's 2012 National Awards Banquet. The evening will begin with a No Host Social Hour in the Lobby of the Colonial Ballroom and culminate with the drawing of the winning ticket for our premium raffle prize and an auction! You will meet your 2013 MAFCA Board of Directors and discover who are this year's MAFCA Award Recipients. We hope you will join us in your Era Fashion finest!

Wednesday morning, an excursion to the Old City Market is planned. We will stroll the vendors' booths and watch the Gullah ladies weave Sweetgrass baskets, giving you plenty of time to shop.

We certainly hope you will enjoy your visit to Charleston and will want to come back! We've only scratched the surface of all there is to see and do in this magnificent gem on the South Carolina coast!

6th Annual Sweet Home Alabama Tour October 19-20, 2012

The Central Alabama Model "A" Club will conduct its Sixth Annual Sweet Home Alabama Tour on October 19-20, 2012 that will highlight the beauty and southern hospitality of the States of Alabama & Tennessee and will feature the U.S. Space & Rocket Center in Huntsville, AL. This will be a "Hub Tour" conducted from Huntsville, Alabama with the headquarters at the Holiday Inn.

The tour will kick off with a welcome "home style" dinner Thursday evening, 6:00 p.m. at the He-lion Masonic Lodge for some tire kicking, renewing of old friendships, and great southern dining. The scenic tour will start Friday morning in Huntsville, AL with a tour of the Burton Collection with its antique automobiles, tractors, engine collection and many other historical items. Then we're off on a road tour through the countryside to historic Pulaski, Tennessee. Our visit will include a stop at the Trail of Tears Memorial, a tour of the local Ford Dealer's museum, and lunch on the town square at the historic STAAR Theater. After lunch we will visit the local antique & flea mall, "Ole Time" hardware store, drug store for some ice cream at the soda fountain, and then on to shop at a small local Amish Store. On our return trip to Huntsville we will pass under a one-lane Civil War Era Railroad Bridge, stopping at the Greenbrier Restaurant in Huntsville for dinner. After dinner we will return to the Holiday Inn.

Saturday's activities will feature a visit to the U.S. Space and Rocket Center (Rocketcenter. Com), which has the largest collection of rockets in the world, an IMAX theater, thrilling rides, and actual vehicles & artifacts from U.S. and Russian Space Programs. Afterwards, we will tour the Veteran's Memorial Museum, which displays over 30 historical military vehicles from WWI to the present, as well as artifacts and other memorabilia dating back to the Revolutionary War.

The festivities continue Saturday evening with a farewell dinner, at the Holiday Inn and the "Famous Huntsville Buffet." Sunday morning we're off for home and the end of another adventure on the Model "A" Highway.

The Huntsville Holiday Day Inn is our host hotel. It is located at 401 Williams Ave SW, Huntsville, AL 35801 / Main Desk: (256) 533-1400, Reservations: 1-800-holiday or (256) 465-4329 / Via Website: www.holidayinn.com/huntsville. A block of rooms has been reserved for the tour and will be released on September 18, 2012. Make your reservations early, as we have only reserved 45 rooms and they will go fast. When you make your reservations, ask for the "Antique Car Club Group" to receive the Tour discounted special rate of \$89.00 per room which includes 2 full buffet breakfasts each day. If you are towing your Model "A" Ford, you will be able to park your tow vehicle and trailer in the designated area in the back Hotel parking lot.

If you have any questions, please contact David Miller at (256) 313-6924 / E-mail miller5531@aol.com, or our Club Activities Coordinator Paul Majerick at (334) 269-1309 / E-mail paulmajerick@aol.com. Bring "Henry's Finest" and get ready to do a lot of tire kicking, touring through the countryside and just having a good old time.

PLEASE NOTE: No Street Rods.
